

FREELANCE SEWING MACHINIST(S)

Location: Remote (however, located within Greater Manchester)

Type: Freelance

Since launching fajn in September 2023 we have seen unprecedented growth and now seek additional sewing machinist assistance to help meet sales demand over the winter months, support our expanding product range and ensure we continue to offer a quality, made to order product.

We are seeking an experienced freelance sewing machinist who can assist producing fajn dogwear on a made-to-order basis and help expand our product range. It is envisaged that the suitable person would be able to work remotely but be located in Greater Manchester / South Manchester in order to facilitate transporting materials and finished goods to our HQ!

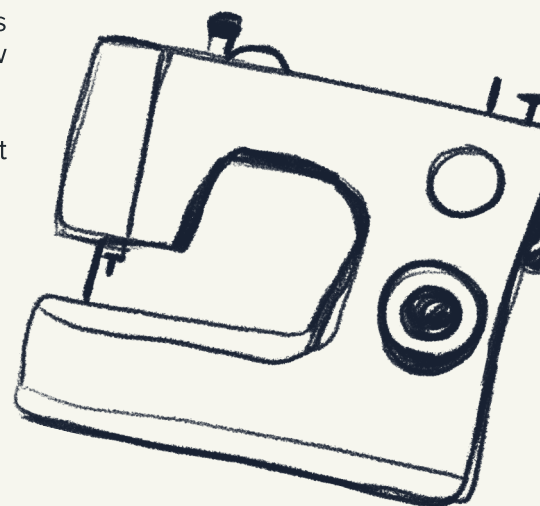

Ideally, it is expected that the suitable candidate would have access to their own industrial sewing machine alongside being able to drive or travel to Stockport.

Training will be provided on how we craft our fajn products, our custom sizing services and we will always be on hand to help out!

This role is offered on a freelance basis, though we are also open to commissioning the work through an existing company, subject to aligning with our brand values and objectives.

Role and Responsibilities:

- **Sewing:** Utilise sewing machines to assemble, sew, and construct various our ever growing fajn dogwear ranges and be able to work with a range of materials including anti-pill fleece, ribbed jersey, elastic, webbing and hardware
- **Pattern Cutting:** Ensure all materials are cut to perfect fit, adjusting as required to deliver perfect fitting products. Help to deliver new products and ideas!
- **Quality Control:** Ensure all products are expertly crafted and meet our high-quality guarantees.

Experience / Requirements

- Proven expertise in industrial sewing, pattern cutting and garment construction. Experience working with webbing and hardware is critical.
- Proficiency in operating industrial sewing machines and other relevant equipment.
- Detail-oriented mindset with a commitment to producing impeccable work and able to follow designs and instructions accurately.
- Effective time management skills, enabling you to meet production deadlines and turn around orders within our production timescales.
- Excellent communication skills.
- Enthusiasm for dogwear, design, and textile craftsmanship (a love for dogs also would help!).
- It is expected that you will have your own insurance(s) and be registered as self-employed or be represented through an established company.
